

# **WASTEWATER DEPARTMENT REPORT**

August 11, 2014

## **ACCOMPLISHMENTS:**

- Daily operations and maintenance
- Started routine sewer flushing on Main St
- Assisted HW Dept on a storm water project on School St
- All monthly samples complete for July
- Added De- greaser to the pump stations wet wells
- Generator company here doing annual service to our generators
- Manhole inventory for the upcoming paving projects. We will raise the ones that will be affected
- Meet with Wayne Elliott from A&E to look into cross connections with the sewer and storm water systems near Willow St pump station
- Serviced the sewer jetter

## **IN PROGRESS:**

- Build storage shelves at the WWTF
- Remove a pump from Styles Meadow Pump Station
