

WASTEWATER DEPARTMENT REPORT

August 25, 2014

ACCOMPLISHMENTS:

- Daily operations and maintenance
- Completed all July monthly reporting forms
- Completed all required monthly sampling for August
- Meet with Bill, Bruce, Belden and Wayne Elliot to discuss the lagoon transfer manhole project. Scheduled to start Sept 1st. We are now in the process of lowering the lagoons 1 foot
- Mowed and trimmed sewer pump stations
- Worked with the HW Dept on Pine St storm water project
- Pulled pump number 2 from styles meadow and sent out for rebuild and installed our backup pump.

NEEDED:

- Permission from the board to purchase a new door and lock for our storage room at the WWTF
- Permission from the board to have our electrician correct some lighting issues at the lab building and sewer pump stations
