WASTEWATER DEPARTMENT REPORT November 24, 2014

ACCOMPLISHMENTS:

- Completed all November monthly sampling requirements
- Parked the Jetter in the garage for the winter
- Checked all the heaters at the sewer pump stations
- Checked all fuel levels in our emergency generators
- Changed all chemical feed tubing for both pumps in the Alum feed building
- Cleaned all floats and transducers at the sewer pump stations. Also, added De- greaser to the wet wells

IN PROGRESS:

• Working with the HW Dept to lower 2 manholes
