

Town of Proctor
Bike/Ped Path Study Committee
October 13, 2016 Special Meeting

Draft Minutes

Present:

Steve Follett

Rick Moreno

Dale Christie

Stan Wilbur

Chrissy Haskins, DufresneGroup (on the phone)

The meeting was called to order at 5:30 p.m.

The agenda was approved without changes

The committee reviewed and discussed the bike/ped path options identified to date. Chrissy Haskins walked the committee through the various combinations of shared use, bike lanes and sidewalks for each of the project sections: rink to the marble bridge, marble bridge and railroad bridge, through the park area and to North Street, North Street to the south end of Beaver Pond and around the north end of Beaver Pond back to Main Street.

The committee considered and made recommendation for each section. Chrissy will prepare a draft preliminary report and get it to the committee for review and comment in a month. Once the reports is accepted by the committee a meeting will be held to get input from the public.

The goal is to have a completed and approved scoping report in place before the next round of State Grants.

The meeting was adjourned at 7:00 p.m.
