Motion to approve Minutes from May 21, 2021 made by John, seconded by Brian, minutes approved.

Pool discussion included the fence being repaired behind the bath house, spraying for mosquitoes to be done prior to opening day and school's use of the pool on 6/10/21 and 6/11/21. There was the discussion of painting a mural of a Phantom on the watershed building at the pool. Rachael shared some sketches and they were fantastic, but additional ideas will be sent to her. Both the pool and rink will require waivers for all in attendance, one waiver is good for the season. Sand is need in the pool area, John said he will look into getting some to bring up there. One thruster is in and doing a great job at reducing weeds.

Rink will become a roller skate park. Wade from VLCT visited Pond and rink and had recommendations for both. The Rink went through each one and thy are already in the works for completion or being taken into consideration (see attached). Need to check into picnic tables that were funded, but never purchased. Five total, three for the rink and two for the pool. The Rec Directors will look into the funding previously approved for picnic tables and purchase some for the rink and one for the pool.

Rink will have a pot luck on July 1 5-7pm and grand opening July 2 6-10pm.

No further business, Brian moved to adjourn and John seconded the motion. Meeting was adjourned at 7:15pm.
