Meeting Minutes

Members in Attendance: Megan Cannucci, Brian Cannucci, Linda Doty, Gannon McKearin, and Judy Frazier

I. Brian Cannucci called the meeting to order at 6:00PM.

II. Motion made by Brian to approve June 7, 2023 meeting minutes, Gannon seconded, minute approved.

III. Gannon briefed the committee on pool closing. He mentioned the plumbing problem, which closed the pool one day early and the sewage pipe issue will be repaired in the spring. Gannon said the tarps really helped with the weeds this year and would like to be able to get a couple more. People commented how clean the water was. He would also like a canopy over by the docks to allow people to sit in the shade and new lounge seats.

There was supposed to be a sign directing people to the pool, but it was never put up. Judy will look in to it to see if it was in fact purchased. Look for funding to make the purchases necessary for summer 2024. We also talked about bringing back the summer carnival at the pool. Linda was going to try to find some details of what was done years ago.

IV. Roller skating was limited this year because of rainy weather. Summer camp went extremely well and people have asked if it will return next summer.

VII. A Halloween party is planned at the rink with a scary movie in the evening. Special events were talked about and it was questioned if charging \$75 for a birthday party was reasonable, but the liability is on the town so this covers our costs as well.

VIII. The Parks & Rec received Mortimer Proctor funds to help pay for new decking on the rink, AEDs, cameras, and a batting cage.

VIII. Meeting was adjourned at 6:50PM
